Installation Address: (if different)		

Please check the following where appropriate or fill in (if uncertain leave blank):

How did you hear about us?

Type of System Needed:

To be tied to utility grid (name of utility)	<input style="width: 80px; height: 15px;" type="text"/>
Require battery backup power in event of grid outage	<input style="width: 80px; height: 15px;" type="text"/>
Off grid - no utility & months per year required	<input style="width: 240px; height: 15px;" type="text"/>

Note: For off grid systems please include a separate sheet listing all lights & appliances, & for each the wattage (if known), and hrs/day, days/week appliances are such things as refrigerator, TV, microwave, electric tools, etc.

Type of Building & Property:

New home being planned	<input style="width: 80px; height: 15px;" type="text"/>	
New home under construction	<input style="width: 80px; height: 15px;" type="text"/>	
Existing home	<input style="width: 80px; height: 15px;" type="text"/>	
Commercial	<input style="width: 80px; height: 15px;" type="text"/>	
Single Story	<input style="width: 80px; height: 15px;" type="text"/>	
Two story or more	<input style="width: 80px; height: 15px;" type="text"/>	
Approximate square footage of building	<input style="width: 80px; height: 15px;" type="text"/>	
City lot	<input style="width: 80px; height: 15px;" type="text"/>	
Rural acreage	<input style="width: 80px; height: 15px;" type="text"/>	

Sun Exposure of Building:

South side open to sun from 9 am to 3 pm	<input style="width: 80px; height: 15px;" type="text"/>	
South side partially shaded by evergreen trees or other	<input style="width: 80px; height: 15px;" type="text"/>	
South side not exposed to sun	<input style="width: 80px; height: 15px;" type="text"/>	

Proposed location of solar panels

roof	<input style="width: 80px; height: 15px;" type="text"/>	
type of roof material & age	<input style="width: 320px; height: 15px;" type="text"/>	
approximate roof slope and direction	<input style="width: 80px; height: 15px;" type="text"/>	<input style="width: 80px; height: 15px;" type="text"/>
approx sq ft roof area avail for panels	<input style="width: 80px; height: 15px;" type="text"/>	<input style="width: 80px; height: 15px;" type="text"/>

pole mount	<input style="width: 80px; height: 15px;" type="text"/>	
ground array mount	<input style="width: 80px; height: 15px;" type="text"/>	

Location of breaker panel	<input style="width: 320px; height: 15px;" type="text"/>	
Location of electric meter	<input style="width: 320px; height: 15px;" type="text"/>	
Average electric usage dollars or kilowatt hours/month or year	<input style="width: 320px; height: 15px;" type="text"/>
